

You're invited to the Norfolk Public Schools
Realtor Awareness Program
Mark Thursday, Aug. 18 on your calendar!

Receive important information & materials! • Win free prizes!

Meet our new Superintendent of Schools, Dr. Stephen C. Jones and learn about his vision for Norfolk Public Schools. Find out how he intends to lead a transformation that will make Norfolk Public Schools the system of choice in Hampton Roads — and Norfolk homes even more desirable!

With one more year to go until the state's deadline, at least 92% of our schools already have achieved full accreditation. Even as achievement gaps between groups of students narrow, scores for all students continue to rise. And with specialty programs available in all middle and high schools, Norfolk students now have a wide array of challenging options.

Visit the new, state-of-the-art, Norview High School and learn more about our plans for two new buildings at Coleman Place and Crossroads Elementary Schools.

Thursday, Aug. 18 • 9-10 a.m.
