

Did you know your child is worth at least \$550?*

****We think they're priceless,
but the state will fund
Norfolk Public Schools
\$550 each year
for the next three years
for each child counted
during the triennial census.***

If you received a census form in the mail, fill it out and return it as soon as possible. Or, respond online at:
www.nps.k12.va.us.

If you have a child between the ages of 5 and 19, they count — even if they are away at college, are in the military or attend private school! Even if you don't have children, please respond promptly. *All information is confidential and used for census purposes only!*

If you did not receive a census form, call Norfolk Public Schools at 628-3850.
